Re: Notice of Intent to Send to Collections, TV-180315/TV-200861 (Consolidated)

Dear Mr. Sheridan:

As you are aware, on April 30, 2021, the Washington Utilities and Transportation Commission issued Order 06 in the referenced dockets imposing and suspending penalties on JFS Transport, Inc. for violations of the Commission's laws and rules. In Order 06, the Commission also accepted the parties' proposed payment plan. On January 10, 2023, Commission Staff filed a letter in this docket informing the Commission that JFS Transport failed to make any payments after April 2021, and requesting that the Commission impose the suspended portion of the penalty. On February 1, 2023, a Final Notice was sent to JFS Transport, in the amount of \$28,350, which was due on receipt. To date, the Commission has not received the balance due.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You will likely incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to the outstanding \$28,350 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ *Jeff Roberson*, WSBA No. 45550
