RE: Washington Utilities and Transportation Commission v. Avista Corporation, d/b/a Avista Utilities  
**Dockets UE-240006 and UG-240007 (consolidated)**

Dear Jeff Killip:

On December 20, 2024, the Washington Utilities and Transportation Commission (Commission) entered Order 08 in Dockets UE-240006 and UG-240007 (consolidated), Final Order rejecting the tariff sheets filed by Avista Corporation, d/b/a Avista Utilities (Avista or Company) on January 18, 2024. This Order authorizes the Commission Secretary to approve by letter revised tariff sheets that comply with the requirements of the Order.

On December 23, 2024, in compliance with Order 08, Avista filed revised tariff sheets for electric Tariff WN U-28 and natural gas Tariff WN U-29. The revisions to Tariff WN U-28 reflect \$11.882 million increase in electric base revenue for Rate Year one, as ordered by the Commission. The revisions to Tariff WN U-29 reflect \$14.2 million increase in natural gas base revenue for Rate Year one, as ordered by the Commission. The compliance tariffs reflect an effective date of January 1, 2025, which aligns with the rate change effective date from the Company's Schedule 99 Colstrip filing.

Pursuant to WAC 480-07-880(4),<sup>1</sup> Commission Staff submits this letter in response to the revised tariff pages filed by Avista Corporation d/b/a Avista Utilities on December 27, 2024, in compliance with Order 08 of Dockets UE-240006 and UG-240007.

Commission Staff (Staff) has reviewed Avista compliance tariff revision and is satisfied. Therefore, Staff finds that the compliance tariff revision filed by Avista on December 23, 2024, satisfies the terms of Order 08 directing Avista to file revised tariff pages.

Commission Staff therefore recommends that the Commission issue a compliance acknowledgement letter pursuant to WAC 480-07-880(5) indicating that the filing appears to comply with Order 08 and allowing the revised tariff pages filed by Avista on December 23, 2024, to become effective on January 1, 2025.

Joanna Huang  
Regulatory Analyst  
Energy Rates and Services Section  
Regulatory Services Division

---

<sup>1</sup> WAC 480-07-880(4) states that “Commission staff must file a response to the compliance filing within five business days from the date it is filed or by such other deadline as the commission may establish. Any such response must be limited to the issue of whether the filing complies with the commission order.”
