CLEC QUESTION NO. 19: (Bench Request No. 50)

Please provide a list of all transport facilities (i.e., trunks) in Washington state between any two Qwest central offices, or between a Qwest central office and non-Qwest facilities, that you own, control, or lease or have obtained use of from an entity other than Qwest. For each such facility, please identify:

- (a) The A (beginning) location, the Z (ending) location, and any other premises through which the facility is routed;
- (b) The wire center in which the facility is located, by CLLI code (if wire center data is unavailable, please report the data by city);
- (c) The type of transport facility (i.e., DS0, DS1, DS3, dark fiber);
- (d) The transport technology used (e.g., fiber optic (dark or lit), microwave, radio, or coaxial cable);
- (e) The level of capacity the facility is capable of supporting;
- (f) Whether you own the facility, lease or purchase transmission capacity on the facility, use the facility on an unbundled basis, or have obtained the use of the switch on some other non-ownership basis, and if you do not own the facility, please identify the nature of the arrangement and the name of the entity owning the facility; and
- (g) The number of facilities you own, control, lease, or have use of along the same A to Z route you identify in section (a) above.
