RE: *Washington Utilities and Transportation Commission v. Avista Corporation, d/b/a Avista Utilities,*
Dockets UE-240006 and UG-240007 (consolidated)

TO ALL PARTIES:

On December 20, 2024, the Washington Utilities and Transportation Commission (Commission) entered Order 08 Final Order (Order 08) in Dockets UE-240006 and UG-240007 (consolidated). Order 08 rejected the tariff sheets filed by Avista Corporation d/b/a Avista Utilities (Avista or Company) on January 18, 2024. Order 08 authorized the Commission Secretary to approve by letter revised tariff sheets that comply with the requirements of Order 08.

On December 23, 2024, Avista filed revised tariff sheets for electric Tariff WN U-28 and natural gas Tariff WN U-29 in compliance with Order 08. The revisions to Tariff WN U-28 reflect a \$11.882 million increase in electric base revenue for Rate Year one, as ordered by the Commission. The revisions to Tariff WN U-29 reflect a \$14.2 million increase in natural gas base revenue for Rate Year one, as ordered by the Commission. The revised tariff sheets reflect an effective date of January 1, 2025, which aligns with the rate change effective date from the Company's Schedule 99 Colstrip filing.

On December 27, 2024, Commission staff (Staff) filed a letter in this docket informing the Commission that it reviewed the Company's compliance filing and believes that the revised tariff sheets filed by Avista on December 23, 2024, comply with the terms of Order 08 directing Avista to file revised tariff pages.

The Commission affirms Staff's position that Avista's December 23, 2024, revised tariff compliance filing complies with the terms of Order 08. Therefore, these revised tariff sheets shall become effective beginning on January 1, 2025.
