**Re: *In the Matter of the Joint Application of Qwest Communications International Inc.
and CenturyTel, Inc. Docket UT-100820***

Dear Mr. Danner:

Please find attached errata pages to the pre-filed Supplemental Responsive Testimony of Billy H. Pruitt on behalf of Charter Fiberlink WA-CCVII, LLC filed on November 1, 2010. For identification purposes this testimony has been marked as BHP-14HCSRT on the exhibit list for this proceeding.

These errata pages, offered to both the public (redacted) and highly confidential versions of the testimony, are intended to correct the inaccurate identification of exhibit numbers that are cited within Mr. Pruitt's Supplemental Responsive Testimony. Specifically, these errata include the following pages with revised references to the exhibits cited within (and attached to) the testimony:

1. errata exhibit list page 1 (identifying exhibits to the testimony as revised numbered 15, 16 and 17, rather than numbered 14, 15 and 16);
2. errata page 2, footnote 2 (identifying exhibit 15);
3. errata page 6, footnotes 3 and 4 (identifying exhibits 16 and 17); and,
4. errata page 7, footnotes 5 and 6 (identifying exhibits 16 and 17).

In addition, a citation included in Mr. Pruitt's Responsive Testimony filed September 27, 2010 also needs to be revised. For identification purposes this testimony has been marked as BHP-1T on the exhibit list for this proceeding. On page 33 of that testimony, at footnote 20, Mr. Pruitt cites paragraph 78 of the FCC's Subscriber Listing Information / Directory Assistance ("SLI/DA") Order. The attached errata page shows the correct pinpoint cite to paragraph 98 of that order.

Very truly yours,
