Bench Request No. 10:

At hearing on May 2, 2016, Mr. Brad Purdy, on behalf of the Energy Project, indicated that some contested issues affecting low-income customers may be resolved. If the following issues have been resolved, please provide a description of the resolution:

For Pacific Power and Staff:

1. Staff recommends that the Company be required to commit at least \$50,000 in shareholder funding to its low-income conservation program as a condition of the Commission approving a decoupling mechanism. (Ball, Exh. JLB-1T at 42:23-24)

For Pacific Power and the Energy Project:

1. The Energy Project recommends that Pacific Power be required to submit a comprehensive plan addressing both funding and modification for its low-income bill assistance program (LIBA), as well as its low-income weatherization program, by January 31, 2017. (Collins, Exh. No. SMC-1T at 8:12-19)
2. The Energy Project recommends that Pacific Power be required to hire a professional facilitator to lead its low-income collaborative. (Collins, Exh. No. SMC-1T at 8:21-22)
3. The Energy Project recommends that Pacific Power be required to finance and fully cooperate in a study of its eligible low-income customer population to procure the data necessary to satisfy the Commission's order in its last GRC. (Collins, Exh. No. SMC-1T at 10:15-22)

For Pacific Power, Northwest Energy Coalition, and the Energy Project:

1. Northwest Energy Coalition and the Energy Project recommend that Pacific Power be required to increase LIBA rate credits proportionately with any annual increases in residential bills as a result of decoupling surcharges. (Cavanagh, Exh. No RC-1T at 5:2-5; Collins, Exh. No. SMC-3T at 7:8-10)

Please respond no later than **3:00 p.m. on Friday, May 20, 2016**, in hard copy and electronic form, with a courtesy copy provided to Judge Marguerite E. Friedlander at mfriedla@utc.wa.gov.
