**Re: PSE 2022 General Rate Case: Dockets UE-220066/UG-220067 et al.**

Dear Judge Howard,

Pursuant to WAC 480-07-730(4), this letter serves to notify you that a partial multiparty settlement in principle on the Green Direct issue has been reached by the following parties: Commission Staff, Puget Sound Energy, King County and Walmart Inc. The Public Counsel Unit of the Attorney General's Office participated in developing the settlement and will let parties and the Commission know if it will join the settlement prior to the settlement and supporting testimony being filed with the Commission. In addition, no other party in the case who is authorized to intervene on the Green Direct issue opposes the settlement.

The settling parties propose to file the settlement and supporting testimony on August 5, 2022, and further propose that the Green Direct Settlement Stipulation and Agreement be considered by the Commission at the evidentiary hearing on October 3 and 4.

Sincerely,

Sheree S. Carson
