NOTICE OF STATUS CONFERENCE

RE: *In the Matter of Determining the Proper Carrier Classification of Glacier Recycle, LLC; Hungry Buzzard Recovery, LLC; and T&T Recovery, Inc., Docket TG-072226*

TO ALL PARTIES:

On November 18, 2008, the Washington Utilities and Transportation Commission (Commission) convened a status conference in this matter to determine whether a hearing on the merits remained necessary or whether the parties would reach settlement. The parties advised the Commission that an initial settlement offer and counteroffer have already been exchanged. In the parties' estimation, another round of offers might prove fruitful. Therefore, the parties suggested that the Commission promptly schedule a second status conference at which point a decision will be made on further proceedings in this docket.

In order to ensure the orderly proceeding of settlement negotiations, the Commission adopts the following deadlines as proposed by the parties:

Second Settlement Offer – Staff (with input from Intervenors) November 21, 2008

Response or Second Counteroffer – Respondent Companies December 4, 2008

THE COMMISSION GIVES NOTICE THAT it will conduct a status conference in this proceeding in Olympia on Friday, December 5, 2008, at 12:30 p.m., in Room 108 of the Commission's headquarters, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington. Parties who find it more convenient to attend telephonically may participate via the Commission's teleconference bridge line at **(360) 664-3846**.

Thank you for your attention to these dates and deadlines,
