Re: Docket No. UT-023003

Dear Ms. Washburn:

This letter responds to Commission Bench Request Nos. 28 and 29 issued to Verizon Northwest Inc. ("Verizon NW") on January 3, 2005. Bench Request No. 28 seeks two Excel files that Verizon NW had previously identified in response to Bench Request No. 16. Yesterday, Verizon NW provided these files electronically and in paper format via Federal Express.

Bench Request No. 29 seeks access to two reports in VzCost and identifying details for these reports. The names of the two reports, their creation dates, and descriptions are listed below. All users of VzCost now have access to these reports.

<u>Report Name</u>	<u>Date Created</u>	<u>Description</u>
Loop_ECF_Calc_v07.rpt	06/28/2004	Loop Compute ECF Factors Element Calculator level
Loop_Constant_Table.rpt	08/13/2004	Loop Constant Table report

Very truly yours,

Catherine Kane Ronis
