Dear Mr. King:

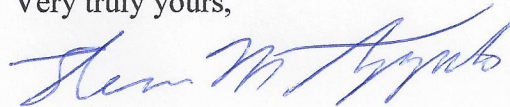

Re: Docket No. UT-133009 –
FCC Form 481 due October 15, 2013 –
Western Wahkiakum County Telephone
Company (Study Area 522451) –
Supplement

On October 15, 2013, on behalf of Western Wahkiakum County Telephone Company (“Company”) there was submitted to the Washington Utilities and Transportation Commission (“Commission”) for filing an electronic version of what the Company believed to be a complete copy of the Company’s FCC Form 481 (including attachments), due October 15, 2013, as filed electronically with the United States Administrative Company (“USAC”) pursuant to Sections 54.313 and 54.422 of the rules of the Federal Communications Commission, 47 C.F.R. §§ 54.313 and 54.422. Since then, it has come to our attention that one of the attachments to the FCC Form 481 that was filed with USAC was inadvertently omitted from the copy that was filed with the Commission. The missing item was a copy of the Company’s RUS Operating Report for Telecommunications Borrowers (“RUS Report”), which is specifically referenced and identified on Line 3017 of the copy of the FCC Form 481 that was previously filed with the Commission. Accordingly, as a supplement to the Company’s October 15, 2013, FCC Form 481 filing with the Commission, enclosed is a copy of the RUS Report. It should be added (or deemed added) to the copy of the Company’s FCC Form 481 previously filed with the Commission, with its placement being immediately prior to the last (“CONFIRMATION”) page thereof.

We apologize for the above-mentioned omission. Please let us know if the Commission has any questions regarding the Company's FCC Form 481 filing, as supplemented.

Very truly yours,
