**Re: Docket UE-152058  
2016 Department of Commerce EIA report**

Dear Mr. King,

Consistent with requirements outlined in WAC 408-109-120(3)(c) and WAC 480-07-140(5) Puget Sound Energy (“PSE” or “the Company”) provides an electronic version of its 2016 Department of Commerce EIA report, which PSE concurrently submitted to the Department today.

The conservation-specific tab (“Conservation Report”) summarizes PSE’s 2016 electric conservation acquisition and expenditures that were detailed in its 2016 Annual Report of Energy Conservation Accomplishments, filed in Docket UE-152058 on March 31, 2017.

Consistent with WAC 480-109-110(3), PSE provided an electronic version of the report workbook to its Conservation Resource Advisory Group (CRAG) on May 3, 2017.

For any conservation-related questions, please contact Andy Hemstreet at (425) 424-6918. For any renewables-related questions, please contact Chris Schaefer at (425) 456-2932. If you have any other questions, please contact me at (425) 456-2110.

Sincerely,

*/s/ Kenneth S. Johnson*
