Comments Please grant this permit to allow Backcountry Travels to start a catamaran round trip boat service from Stehekin to Fields Point on Lake Chelan. There is a definite deficit in service on Lake Chelan. We have personally had to cut a stay in Stehekin shorter than we wished because the Lady of the Lake was full and the company would not add additional trips, especially on Memorial Day weekend and high weekends in July and August. There is a market for additional service and this application and permit would help alleviate the current situation.

Thank you for considering this application.
Please grant the permit.
