Re: **Docket U-210542**
In the Matter of the Joint Application of PSE, Ontario Teachers' Pension Plan Board, and Macquarie Washington Clean Energy Investment, L.P., for an Order Authorizing Proposed Sales of Indirect Interests in PSE

Dear Ms. Maxwell:

Enclosed for filing is a corrected version of the Final Stipulated Commitments, which includes two minor revisions to the version of the Stipulated Commitments filed on January 20, 2022, on behalf of Puget Sound Energy, Ontario Teachers' Pension Plan Board and Macquarie Washington Clean Energy Investment, L.P. Also enclosed is a certificate of service.

The Final Stipulated Commitments, as corrected, change the word "changes" to "increases" in Commitment 42 and for organizational clarity, moves Commitment 48 from Section F (Environmental Commitments) to Section E (Community and Low-income Commitments). As noted, this version of the Commitments should replace the version filed on January 20, 2022. The Exhibits to the Commitments are unchanged and are not being refiled.

Please contact me if you have any questions.

Very truly yours,

Sheree Strom Carson
