1 **NATURE OF PROCEEDINGS:** On February 4, 2013, PSE filed with the Commission certain tariff revisions designed to increase rates for electrical and natural gas services provided to customers in Washington. PSE describes the filing as an update to its electric and natural gas rates consistent with the expedited filing method proposed by the Commission Staff in PSE's 2011-2012 general rate case, Dockets UE-111048 and UG-111049 (consolidated).¹ The tariff revisions, if allowed to become effective, would increase rates to recover additional revenues of approximately 1.6 percent for electrical services and decrease rates by approximately 0.1 percent for natural gas services.

2 The Commission suspended operation of the as-filed tariffs by Order 01, entered in these dockets on March 14, 2013. The Commission, among other things, designated the undersigned ALJ as a presiding officer to assist the Commission in bringing these dockets to a conclusion, and directed the ALJ to set an expedited schedule for discovery, any additional prefiled testimony and hearing.

3 **CONFERENCE/PRESIDING OFFICER.** The Commission convened a prehearing conference in this proceeding at Olympia, Washington on March 22, 2013, before

¹ This filing does not meet the criteria defining a “general rate case” in WAC 480-07-505(1). PSE refers to the filing as an Expedited Rate Filing (ERF) and we adopt this lexicon and acronym for purposes of this Order.

Administrative Law Judge Dennis J. Moss, whom the Commission appoints as presiding officer in this proceeding. This was a joint prehearing conference with Dockets UE-121697 and UG-121705, and Docket UE-121373.

ICNU

NWIGU

8 There was no objection to the petitions to intervene. The Commission finds that the petitioners each demonstrated their substantial interest in this proceeding and that their participation will be in the public interest. The petitions to intervene are granted.

9 **PROTECTIVE ORDER.** The Commission will enter its standard form of protective order under RCW 34.05.446, RCW 80.04.095, WAC 480-07-420 and WAC 480-07-423, to facilitate discovery.

10 **DISCOVERY.** Discovery will continue pursuant to the Commission's discovery rules, WAC 480-07-400 – 425. The response time for data requests is five business days. In addition, to expedite the exchange of potentially relevant information, parties are required to provide all work papers, including model runs and source documents, at the time they prefile testimony and exhibits. The Commission urges the parties to work cooperatively together to avoid having to bring discovery matters forward for formal resolution.

11 **PROCEDURAL SCHEDULE.** The Commission establishes the procedural schedule set forth in Appendix B to this Order. The schedule strikes a balance between PSE's proposal to conclude these proceedings by the end of April and Public Counsel's proposal that would extend the schedule into September. The schedule also responds to the Commissioners' direction to the presiding administrative law judge to conclude these dockets expeditiously.

12 While this schedule is workable and does not cause prejudice to any party, all parties will be required to exhibit cooperation and diligent effort to ensure that a full and adequate record is developed. The Commission will provide notice of any change in this schedule, in the event this is necessary to protect due process concerns or for other reasons.

13 **NOTICE OF HEARING.** The Commission will hold evidentiary hearings in this matter beginning **May 16, 2013, at 9:00 a.m.**, in the Commission's Hearing Room, Second Floor, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington. Hearings will continue from day to day until completed. The Commission may alter this schedule by subsequent notice.

14 **NOTICE OF PUBLIC COMMENT HEARING.** The Commission will hold a hearing to take public comments in this matter beginning **May 16, 2013, at 6:00 p.m.**, in the Commission's Hearing Room, Second Floor, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington. The public comment

hearing will continue until all members of the public who sign in to make comments are heard, or until 8:00 p.m., whichever occurs first.

- 15 **DOCUMENT PREPARATION AND FILING REQUIREMENTS.** Parties must file the original plus **16** copies of the unredacted versions of all pleadings, motions, briefs, and other prefiled materials. Parties must also file the original and one copy of any redacted version(s). These materials must conform to the format and publication guidelines in WAC 480-07-395 and WAC 480-07-460. The Commission prefers that materials be three-hole punched with *oversized* holes to allow easy handling. The Commission may require a party to refile any document that fails to conform to these standards.
- 16 All filings must be mailed or delivered to the Executive Secretary, Washington Utilities and Transportation Commission, P.O. Box 47250, 1300 S. Evergreen Park Drive, S.W. Olympia, Washington 98504-7250. Both the post office box and street address are required to expedite deliveries by the U.S. Postal Service.
- 17 An electronic copy of all filings must be provided through the Commission's Web Portal (www.utc.wa.gov/e-filing) or by e-mail delivery to (records@utc.wa.gov). Alternatively, parties may furnish an electronic copy by delivering with each filing a 3.5-inch IBM-formatted high-density diskette, CD or USB flash drive including the filed document(s). Parties *must furnish* electronic copies in MS Word 6.0 (or later) supplemented by a separate file in .pdf (Adobe Acrobat) format. Parties must follow WAC 480-07-140(5) in organizing and identifying electronic files.
- 18 **ELECTRONIC SUBMISSION OF DOCUMENTS.** The Commission grants a one-day extension of the paper-filing requirement under WAC 480-07-145(6), allowing electronic submission of documents with the Commission on the deadlines established by the procedural schedule. Parties must submit documents through the Commission's Web Portal (www.utc.wa.gov/e-filing) or by e-mail to (records@utc.wa.gov), and file an original, plus **16** paper copies, of the documents with the Commission by the following business day. Parties must provide courtesy copies of their electronic submissions to the presiding administrative law judge and the parties to the proceeding.

- 19 The Commission requires parties to submit documents in adjudicative proceedings no later than 2:00 p.m. on the deadline date to give Records Center personnel adequate time to post and distribute them.
- 20 **ALTERNATE DISPUTE RESOLUTION.** The Commission supports the informal settlement of matters before it. Parties are encouraged to consider means of resolving disputes informally. The Commission has asked Greg Kopta, Director and Administrative Law Judge, Administrative Law Division, to serve in the capacity of a third party neutral and provide dispute resolution services to the parties. Mr. Kopta will contact the parties to discuss alternative dispute resolution process and establish a schedule.
- 21 **NOTICE TO PARTIES: A party who objects to any portion of this Order must file a written objection within ten (10) calendar days after the service date of this Order, pursuant to WAC 480-07-430 and WAC 480-07-810. The service date appears on the first page of the order in the upper right-hand corner.
