## Certification that the ETC is able to function in emergency situations

TracFone certifies that it will be able to function in emergency situations to the extent that its underlying network providers are able to do so. TracFone provides service using the networks the several of the leading wireless companies in the nation, including Verizon Wireless, AT&T Mobility, and T-Mobile. TracFone relies on those network's reliability in all situations, including emergency situations. Each of those companies complies with applicable requirements for emergency service, including available power supplies. Those network operators have implemented state-of-the-art network reliability standards and TracFone and its customers benefit from their high standards. Throughout is more than ten years of existence, TracFone's service reliability has compared favorably with that of any facilities-based operator in the wireless telecommunications industry.
