**Re: 2021 Final Integrated Resource Plan
UE-200304 and UG-200305**

Dear Mr. Johnson:

Pursuant to Order 2, paragraph 28 in Dockets UE-180607 and UG-180608, attached for filing is Puget Sound Energy's ("PSE") Final 2021 Integrated Resource Plan ("Final IRP"). The attached Final IRP, along with individual chapters, appendices and data files are posted at pse.com/irp and available for download.

The final electric and natural gas plans were developed, with stakeholder input, over the last eleven months. PSE believes that stakeholder input has improved the Final IRP. There are several components of the IRP analysis that were completed since the draft IRP filed in January 2021 and the appropriate chapters and appendices have been updated.

Also attached as Attachment A are PSE's responses to Colstrip issues raised in the 2017 IRP (Dockets UE-160918 and UG-160919) acknowledgement letter.

If you have any questions about the information contained in this filing, please contact Irena Netik, Director, Integrated Resource Planning, at (425) 462-3671. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
