**NOTICE OF OPPORTUNITY TO RESPOND TO
PETITIONS FOR REVIEW
(Tues, July 15, 2003 by noon)**

RE: In the Matter of the Petition of Qwest Corporation For Competitive Classification of Basic Business Exchange Telecommunications Services Docket No. UT-030614

TO THE PARTIES:

On July 9, 2003, Public Counsel filed a Petition for Review of Interlocutory Orders 05, 06 and 07. In the Petition, Public Counsel objects to the issuance of a "highly confidential" protective order that is applicable to non-competitor parties to this proceeding. Public Counsel further objects to provisions in the orders that prohibit it from reviewing competitive local exchange carrier (CLEC) information in the original form it has provided to Commission Staff under Order No. 6. Finally, Public Counsel seeks clarification of the manner in which Commission Staff may aggregate the CLEC-provided data for distribution to other parties.

On July 9, 2003, a notice was served on the parties establishing a date for responses to Public Counsel's Petition.

On July 11, WeBTEC filed a Petition for Review of Interlocutory Orders 05, 06, and 07 and Response to Public Counsel's Petition for Review. WeBTEC's petition raises concerns similar to those raised by Public Counsel.

NOTICE IS GIVEN That those parties who wish to respond to WeBTEC's Petition may do so on or before Monday, July 15, 2003, noon. Parties may combine their responses to Public Counsel's Petition with their responses to WeBTEC's Petition.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
