**NOTICE OF ASSIGNMENT OF POLICY ADVISOR AND  
NOTICE OF OPPORTUNITY TO FILE OBJECTIONS  
(Objections due by Wednesday, November 14, 2012)**

RE: *Washington Utilities and Transportation Commission v. PacifiCorp d/b/a Pacific Power & Light Company*, Docket UE-100749

TO ALL PARTIES:

On August 23, 2012, the Washington Utilities and Transportation Commission (Commission) entered Order 10 – Order Establishing Disposition of Proceeds from the Sale of Renewable Energy Credits (RECs) in the above matter.

On September 4, 2012, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) filed with the Commission a Petition for Reconsideration and Motion to Reopen Record (Petition). By notice issued September 24, 2012, the Commission informed the parties that it will act on the Petition on or before December 31, 2012.

The Commission, due to personnel changes, anticipates assigning Roland Martin as a policy advisor in this matter to assist the Commissioners with their determinations. Mr. Martin worked with Commission Staff (Staff) on some of the issues in the underlying rate case in this docket, but those issues did not include the nature and disposition of proceeds from the sale of RECs. Nor has Mr. Martin participated on behalf of Staff in the subsequent phase of this proceeding devoted to RECs.

Accordingly, the Commission tentatively finds that Mr. Martin's participation as policy advisor to the Commissioners in this docket will not present a conflict of interest. Any party that disagrees or otherwise objects to Mr. Martin acting in that role must file an objection with the Commission by November 14, 2012.

**NOTICE IS HEREBY GIVEN That any objections to Roland Martin's role as a policy advisor to the Commissioners in this matter must be filed with the Commission no later than 5:00 p.m., Wednesday, November 14, 2012.**
