Re: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*, Dockets UE-140762, UE-140617, UE-131384, and UE-140094
(*Consolidated*)

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission), on May 26, 2015, entered Order 09 a final order in Dockets UE-140762, UE-140617, UE-131384, and UE-140094 Approving and Adopting Settlement Agreement, Authorizing and Requiring Tariff Filing. Order 09, among other things, approves and adopts a Settlement Stipulation providing the design details and parameters necessary to implement a Power Cost Adjustment Mechanism for Pacific Power & Light Company (Pacific Power), as required by the terms of Order 08 in these proceedings.

On May 28, 2015, Pacific Power filed electric tariff sheets WN U-75, Seventh Revision to Sheet No. Index.3, and Tariff WN U-75, Original Sheet No. 97.1, as specified in Order 09. The Commission has examined the filing, and it appears to comply with the terms of Order 09.

Therefore, pursuant to the terms of the Commission's Order 09 in this proceeding, the tariff sheets indicated above will become effective as filed with an effective date of June 1, 2015.

Sincerely,

STEVEN V. KING
Executive Director and Secretary
