PUGET SOUND ENERGY,

DOCKET UG-230393

PUYALLUP TRIBE OF INDIANS’
REQUEST FOR CASE
CERTIFICATION AND NOTICE OF
INTENT TO REQUEST A FUND
GRANT

1. Pursuant to WAC § 480-07-370(3), Order 02 in Docket No. U-210595 and sections 5.2.2 and 6.2 of the *Washington Extended Interim Participatory Funding Agreement* (Extended Interim Agreement), the Puyallup Tribe of Indians (Tribe) hereby submits this Request for Case Certification and Notice of Intent to Request a Fund Grant in the above-referenced docket.

2. The Tribe provides this Notice of Intent to Request a Fund Grant from the Prioritized Organizations Sub-Fund of the Consumer Access Fund for Puget Sound Energy (PSE)¹

¹ See Extended Interim Agreement § 4.2.

1 pursuant to section 6.2 of the Extended Interim Agreement. The Tribe is filing its Proposed
2 Budget concurrently with this Request for Case Certification and Notice of Intent.

3 3. The Tribe requests certification as a Prioritized Organization pursuant to sections 5.2.2
4 and 6.2 of the Extended Interim Agreement. Under Dockets UE-220066 and UG-220067, the
5 Commission previously found the Tribe to be an eligible organization that can effectively
6 represent customer interests that no other party adequately represents.² The Tribe continues to
7 meet the criteria for certification found in section 5.2.2:

- 8 a. The Tribe meets the definition of Prioritized Organization under the Extended
9 Interim Agreement and applicable legislation. The Clean Energy Transformation
10 Act defines highly impacted community as “a community located in census tracts
11 that are fully or partially on ‘Indian Country’ as defined in 18 U.S.C. Sec. 1151.”
12 *RCW 19.405.020(23)*. The Extended Interim Agreement has a stated purpose of
13 prioritizing organizations that represent vulnerable populations and highly
14 impacted communities for funding.³
- 15 b. The Puyallup Tribe of Indians is a sovereign tribal government and federally
16 recognized Indian Tribe that is the present-day successor in interest to certain
17 bands of Indians who signed the Medicine Creek Treaty in December 1854.
- 18 c. The Tribe’s land base, as reserved by the Medicine Creek Treaty and subsequent
19 negotiations with the federal government, comprises over 18,000 acres of land
20 along the historic shores of Commencement Bay in Tacoma and upland into
21 portions of the present-day cities of Tacoma, Fife, Milton, Edgewood, and
22

23 ² See Washington Utilities and Transportation Commission v. Puget Sound Energy, Dockets UE-220066 and UG-220067, Order 08 Granting Requests for Case Certification at ¶¶ 31-34, (3/24/2022).

³ See Extended Interim Agreement at Recital 1.

1 Puyallup. This area is commonly referred to as the 1873 Survey Area. The Tribe
2 has continuously occupied these lands since time immemorial.

- 3 d. The 1873 Survey Area is under the jurisdiction of the United States and meets the
4 first definition of Indian Lands in 18 U.S.C. § 1151.⁴ The federal government has
5 criminal jurisdiction over all crimes involving Indians that occur within the 1873
6 Survey Area. It also has civil jurisdiction on tribal lands for certain laws of general
7 applicability.
- 8 e. The Tribe, as a governmental entity, owns and operates land and facilities on those
9 lands within Indian Country that utilize PSE for utility services and pays PSE for
10 those services.⁵ Furthermore, the Tribe provides utility payment assistance to
11 eligible tribal members.⁶
- 12 f. The tribal community living and working within the 1873 Survey Area qualifies as
13 a Highly Impacted Community under RCW 19.405.020(23) and the Tribe is in a
14 unique position to represent this community.
- 15 g. The Tribe is governed by a seven-member Tribal Council that is elected by the
16 adult members of the Tribe pursuant to its Constitution adopted in 1936. The Tribe
17 has approximately 6,500 members, and many tribal households are PSE rate-
18 payers. Between October 1, 2021, and March 10, 2022, the Tribe’s Crisis
19 Assistance Program (CAP) processed, and the Tribe paid, over 600 PSE bills of
20

21 ⁴ “[T]he term Indian Country, as used in this chapter, means (a) all land within the limits of any Indian
22 reservation under the jurisdiction of the United States Government, notwithstanding the issuance of any patent,
23 and, including rights-of-way running through the reservation... (c) all Indian allotments, the Indian titles to which
have not been extinguished, including rights-of-way running through the same.” 18 U.S.C. 1151 – Indian
country defined (internal citations omitted).

⁶ See attached Declaration of Rebecca Curington at ¶4.

1 tribal households, including approximately 28 PSE bills for tribal households
2 located within the 1873 Survey Area.⁷

- 3 h. The Tribe provides a broad array of governmental services including law
4 enforcement, Tribal Court, health clinic, K-12 school, social services, housing and
5 general welfare benefit programs through several dozen administrative
6 departments and programs.
- 7 i. Pursuant to Section 5.2.2(c) of the Extended Interim Agreement, the Tribe is able
8 to effectively represent this community. The Tribe has engaged in advocacy in
9 federal and state courts and administrative proceedings continuously since the
10 1960s.
- 11 j. The Tribe holds unique and distinct evidence to present as to the nature of the
12 costs incurred for the construction and permitting of the Tacoma LNG Facility and
13 distribution line that will benefit the Commission in its analysis and decision
14 making regarding the prudence of PSE's post-September 16, 2016 decisions and
15 the associated cost allocation.
- 16 k. The Tribe's participation will be narrow and focused; its intervention will not
17 unreasonably broaden the issues, burden the record, or delay the proceeding.
