Total 2017 Incentive Payment: (cannot exceed \$5000): [Datafield 6]

Payment will be a check mailed to: [Data field 7]

Once you have reviewed this information, click the "Proceed to Signoff" button below. If everything looks good, respond YES on the survey and submit. If you see problems with the information we have provided, respond NO on the survey and tell us why. We will be back in touch with corrections or explanation so that you can accept the application and be paid.

PROCEED TO SIGNOFF

* The passage of Washington Senate Bill 5939 in July locked in PSE's incentive payment rates for current participants as follows:

If you were certified as eligible for up to :	Your incentive rate is now:
\$0.12 (wind)	\$0.112
\$0.15 (solar manufactured out of state)	\$0.140
\$0.15 (anaerobic digester)	\$0.140
\$0.18 (solar with a WA-made inverter)	\$0.168
\$0.36 (solar with WA-made modules)	\$0.336
\$0.54 (solar with WA-made modules and inverter)	\$0.504

Please Note: The new law also requires re-certification by Washington State University Extension Energy Program of ALL participating customers between October 1, 2017 and April 30, 2018 in order to remain eligible for annual incentive payments 2018-2020. PSE will do our best to communicate this process when it becomes available.

If you have questions or concerns, please email us at netmetering@pse.com
