RE: Docket PG-150120, Settlement Agreement

Dear Mr. Rathbun:

This letter serves to advise you that Cascade Natural Gas Corporation (CNGC) has complied with Section V(B)(1)(c) of the Settlement Agreement in Docket PG- 150120 between the Staff of the Washington Utilities and Transportation Commission and CNGC. Specifically, CNGC's consultant, TRC Pipelines Service LLC (TRC), has completed a "records review of all remaining pipelines operating above 60 psig."

CNGC is currently reviewing the information from TRC, and with this information, we will move into the next pertinent phase of the compliance program as set forth in Section V(B)(1)(d) of the Settlement Agreement.

Please feel free to contact me with any questions.

Respectfully Submitted,
