Mike,

Thanks for the reminder. All three crossings have been completed. The projects are at substantial completion while the contractors still work on punch list items, however the crossings are complete and either open to traffic (#662526C & #977804N) or permanently closed (#066244T).

Thanks,  
Rob

Good morning Robert,

Just a friendly reminder that UTC orders approving rail crossing projects require the petitioner to notify the UTC within 60 days of project completion.

Have any of these projects been essentially completed?

Barker Road – Union Pacific crossing #662526C. [UTC Docket TR-210814](#)

Barker Road – BNSF at-grade crossing #066244T. [UTC Docket TR-200265](#) (close the at-grade crossing)

Barker Road – BNSF grade separated crossing #977804N [UTC Docket TR-200265](#) (new roadway overcrossing)

Thank you,

**Mike Turcott**
