**Subject: DOCKET UT-090842 - SEPTEMBER 2010 WTAP REPORT**

Dear Mr. Danner:

Pursuant to paragraph 33 in Order 06 in Docket UT-090842, enclosed is the Frontier Communications Northwest Inc. WTAP Report for September 2010. Also enclosed is the August 2010 Report which includes the total number of \$75 WTAP credits applied to the customer's account. Last month, customer data for August 4<sup>th</sup> was inadvertently excluded from the file sent for filing. The enclosed August 2010 Report includes the excluded data. The September 2010 Report includes all of the information with the exception of item (f), the total number of \$75 WTAP credits applied to the customer's account. Some customer bills are not available for verification at the time of reporting due to bill cycles that do not run on a monthly calendar basis. Therefore, the total number of \$75 WTAP credits for each month will be reported one month in arrears after all of the bill cycle information has been compiled for that month.

The reports are marked "Confidential per Protective Order in Docket UT-090842" as they include customer case numbers. Therefore, a confidential version and a redacted version of the reports are included for filing.

If you have any questions concerning this report, please call me at 972-456-7551 or email me at [kimberly.a.douglass@ftr.com](mailto:kimberly.a.douglass@ftr.com).

Sincerely,

A handwritten signature in black ink that reads "Kim Douglass" with a long horizontal flourish extending to the right.
