**NOTICE REVISING PROCEDURAL SCHEDULE**

RE: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*  
Docket UE-161204

TO ALL PARTIES:

On November 14, 2016, Pacific Power & Light Company (Pacific Power or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-75, Rule 1 – General Rules and Regulations; Rule 4 – Application for Electric Service; Rule 6 – Facilities on Customer’s Premises; and Schedule 300 – Charges as Defined by the Rules and Regulations.

On December 20, 2016, the Commission convened a prehearing conference and adopted a procedural schedule that included evidentiary hearings set for June 16 and 19, 2017. On December 22, the Commission entered Order 03, Prehearing Conference Order; Notice of Hearing, which required the parties to confer and propose a date for a settlement conference. On January 6, 2017, Commission staff (Staff) notified the Commission that the parties agreed to conduct a settlement conference on March 13, 2017.

On January 11, 2017, an internal scheduling conflict arose with respect to the scheduled hearing dates. Accordingly, the parties conferred and agreed to the following revised procedural schedule:

<b><u>Event</u></b>	<b><u>Revised Date</u></b>
Discovery Deadline	May 30, 2017
Cross-Examination Exhibits, Witness Lists, and Time Estimates	June 7, 2017
Evidentiary Hearing	July 13 at 1:30 p.m. and July 14 at 9 a.m.

Based on the Commission's scheduling needs and the parties' agreement, the Commission finds good cause to revise the procedural schedule.

**THE COMMISSION GIVES NOTICE That the procedural schedule in Docket UE-161204 is revised as described above.**
