

Comcast Phone of Washington, LLC  
Installation or Activation of Basic Service

A LEC must install 90% of all orders within 5 business days. Under WAC 480-120-105, Comcast is exempt from this provision. For purposes of this report, Comcast will provide statistics for installations, by rate center, that do not require a ported number

Comcast Phone of Washington, LLC  
Summary Trouble Report

Trouble reports by rate center must not exceed four trouble reports per one hundred access lines per month for two consecutive months, or per month for four months in any one twelve-month period. This standard does not apply to trouble reports related to customer premise equipment, inside wiring, force majeure, or outages of service caused by persons or entities other than the local exchange company.

Troubles Per 100 Access Lines

 Repair Report ~ Service Interruption

A company must repair all out-of-service interruptions within forty-eight hours.  
 Companies must report the number of service interruptions reported each month, the number repaired within forty-eight hours, and the number repaired more than forty-eight hours after the initial report. In addition, a company must report the number of interruptions that are exempt from the repair interval standards as provided for in WAC 480-120-440.
