## **VNXX** Routing

Docket No. UT-063006 Exhibit LBB-2 Technical Conference August 24, 2006 Page 1 (Corrected Exhibit Number)

--- VNXX Call to Level 3 – Call is VNXX in nature because the Level 3 ISP customer is not physically located in Olympia, nor is the ISP connected to a switch in Olympia, and the NPA-NXX numbering scheme does not reflect the actual terminating LCA. ISP may or may not be located in the Seattle LCA.
