(By Friday, July 1, 2005)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates and  
Review of the Deaveraged Zone Rate Structure  
Docket No. UT-023003

TO THE PARTIES:

On June 10, 2005, the Commission entered its 27<sup>th</sup> Supplemental Order in this docket, denying petitions for reconsideration and granting a petition for clarification. In the 27<sup>th</sup> Supplemental Order, the Commission required Verizon to make a compliance filing within twenty days of entry of the Order.

On June 20, 2005, Verizon filed a request for an extension of the deadline for making its compliance filing and a request for clarification of several findings in the 27<sup>th</sup> Supplemental Order. Verizon requested an extension of the compliance filing to 45 days from the date the Commission provided the requested clarification.

On June 20<sup>th</sup>, Verizon also filed a motion to incorporate updated depreciation rates resulting from the Commission's April 12, 2005 Order in Docket No. UT-040520 establishing new depreciation rates for Verizon.

By this notice, the Commission seeks responses from the parties to Verizon's request for a compliance filing delay, for clarification of the 27<sup>th</sup> Supplemental Order and for incorporation of updated depreciation rates.

**NOTICE IS GIVEN That responses to Verizon's requests for a delay in the compliance filing, for clarification of the 27<sup>th</sup> Supplemental Order and for incorporation of updated depreciation rates should be filed on or before Friday, July 1, 2005.**
