**NOTICE OF CONTINUANCE OF
COMPLIANCE FILING DEADLINE
(Within 20 days of Order)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates and
Review of the Deaveraged Zone Rate Structure
Docket No. UT-023003

TO ALL PARTIES:

On June 10, 2005, the Commission entered its 27th Supplemental Order in this docket, denying petitions for reconsideration and granting a petition for clarification. In the 27th Supplemental Order, the Commission required Verizon to make a compliance filing within twenty days of entry of the Order, by June 30, 2005.

On June 20, 2005, Verizon filed a request for an extension of the deadline for making its compliance filing and a request for clarification of several findings in the 27th Supplemental Order. Verizon requested an extension of the compliance filing to 45 days from the date the Commission provided the requested clarification.

On June 20th, Verizon also filed a motion to incorporate updated depreciation rates resulting from the Commission's April 12, 2005 order in Docket No. UT-040520 establishing new depreciation rates for Verizon.

On June 21st, the Commission notified the parties of their opportunity to respond to the Verizon filings, but did not vacate the schedule for Verizon's required compliance filing. In light of the Commission's need to address Verizon's filings, it is appropriate to continue the date for Verizon's required compliance filing. However, based on the findings and conclusions of the 27th Supplemental Order, the continuance will correspond with the 20-day period for compliance stated in the Order.

NOTICE IS Given that Verizon's compliance filing deadline is continued from June 30, 2005 to 20 days from the date of a Commission order addressing Verizon's incorporation and clarification requests. The other parties will then have 20 days from Verizon's compliance filing to respond.

Sincerely,
