Ms. Carole J. Washburn:

I am writing to request an extension of our Allied Van Lines Inc. 2004 Annual Report and 2005 Regulatory Fee for year-ending December 31, 2004. The request is needed due to outside unfinished audits, which has not allowed us to release any 2004 and 2005 financial information. A very tentative timeframe for the number has been give at 4 to 6 weeks at the earliest. I would like to request a filing date extension at this time of an additional 60 days to July 1, 2005. I have included our permit number of HG005221.

I appreciate your understanding.

Sincerely,

Tom Zwierko
