

To Leon Macomber:

This is Grace Jiang, and I'm replying this letter regarding about the Lucky Moving & Remodeling LLC. Company's moving permit, to the extension of Leon Macomber. I'm wishing to postpone the recheck up time for the Lucky Moving Company because I'm the only person in the company understand English well. However, I applied an internship for the summer and right now I'm in New York City to do the internship, so there are no one in the company can fully understand the whole rechecking processes anymore. Another reason for postpone of the recheck date is I won't be able to finish the internship till the week of September 17th, 2007, so I wish to postpone the day for the recheck for the continuous of application of moving permit till that wekk. I promise that I will contact the Washington Utility of Transportation for the reschedule of recheck of the permit after the September 17th, 2007.

Sincerely yours,

Grace Jiang
