UTILITIES AND TRANSPORTATION
COMMISSION

TO: Dave Pratt, Assistant Director, Transportation Safety
FROM: Tina Lepski, Transportation Specialist 3
DATE: December 8, 2009
SUBJECT: Docket TV-080306; Application for Permanent Authority

On February 14, 2008, Okeeffe Enterprises, LLC DBA Havenwood Caregiver Services, d/b/a Havenwood Caregiver Services; Havenwood Moving Resources, filed Docket TV-080306 requesting permanent household goods authority.

The commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier Permit THG-63194, since March 19, 2009.

Under WAC 480-15-330, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, reports, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator Richard Smith completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Smith found the company in general compliance and on May 22, 2009, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-63194 is in order as follows:

- Records Center has the current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-63194.
- Consumer Affairs does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.

I recommend the commission grant TV-080306 without hearing and reissue Permit THG-63194 to Okeeffe Enterprises, LLC DBA Havenwood Caregiver Services, d/b/a Havenwood Caregiver Services; Havenwood Moving Resources, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
