SECOND CORRECTION NOTICE

**NOTICE OF OPPORTUNITY FOR HEARING
(Now due August 8, 2008)**

Re: *In the Matter of Cancellation of Certificate of Kitsap Ferry Company, LLC (BC-128)*
Docket TS-080825

TO PARTIES:

On May 13, 2008, the Washington Utilities and Transportation Commission (Commission) served Kitsap Ferry Company a Notice of Intent to Cancel Certificate, and Notice of Opportunity For Hearing in the above docket. The Commission inadvertently mailed the notice to Kitsap Ferry at an undeliverable address and served a correction notice to another address on May 22, 2008. That notice was also returned to the Commission as undeliverable. The Commission has obtained another address from the Secretary of State and makes a final attempt to serve the notice with a correction of the deadline for responding to the notice.

PLEASE TAKE NOTICE That Kitsap Ferry may request a hearing to contest the cancellation of its certificate if received by the Commission no later than August 8, 2008.

Sincerely,

DAVID W. DANNER
Executive Secretary
