Subject: HOOD CANAL BRIDGE CLOSURE

Hi Rafael,

Your information was forwarded to me from Penny Ingram regarding the closure of the Hood Canal Bridge for a couple of months. After discussing this with my supervisor, it was decided that because this is a "temporary" closure, all we would need from you is a letter.

In your letter, please make sure the following things are covered:
Stipulate exactly why the change is being made and for how long.(due to closure of Hood Canal Bridge)
A statement saying you will not pickup or drop off along the alternative route.
You will notify the Commission when the closure is back opened.

If you have any questions or concerns, feel free to contact me directly.

Sincerely,

Tina Leipski
