**Re: Docket No.: TG-091026**

**Northwest Liquid Transport I, Inc.**

To Whom It May Concern:

This letter is written on behalf of my client, Northwest Liquid Transport I, Inc., regarding their application for a permit. The application request read as follows:

“Solid waster collection services under contract with Nature’s Path Food USA, Inc., located in Blaine Washington, to collect and transport for disposal a mixture of sugar water and solids from the plant in Whatcom County.”

My client is willing to amend their request for authority to read as follows:

“Solid waste collection services under contract with Nature’s Path Food USA, Inc., located in Blaine, Washington, to collect and transport for disposal a mixture of sugar water and solids using a tanker truck in Whatcom County.”

My client is willing to amend their authority to facilitate a dismissal of the Sanitary Service Company, Inc. and Blaine-Bay Refuse, Inc. protests. We do understand this is under consideration by those entities.
