Kathy – the below incident report is being submitted for the public highway-rail grade crossing at Sacajawea Park Road and Road 40 East In Pasco, Washington, Docket, USDOT: #097206U.

During the period from December 1, 2011 to May 30, 2012 there were no incidents of risky motorist behavior, traffic accidents or other safety related incidents at or near the Port of Pasco at grade rail crossing at the Sacajawea Park Road/Southeast Road 40 East intersection. Sources checked for traffic information included:

- Port of Pasco observations by on-site maintenance crew and security guard reports (verified by phone conversation with Todd Meyers 05/30/12)
- City of Pasco traffic reports (verified by e-mail from City of Pasco Police Records 5/30/2012)
- BNSF observations and/or infractions recorded by BNSF (verified by phone conversation with Trainmaster Barry Gellner and Special Agent Loren Barger 5/30/2012)

Per the conditions of the petition, this is our FINAL report and completes the 2 year reporting period.
