UTILITIES AND TRANSPORTATION
COMMISSION

TO: Dave Pratt, Assistant Director, Transportation Safety
FROM: Tina Leipski, Transportation Specialist 3
DATE: May 25, 2012
SUBJECT: Docket TV-091797; Application for Permanent Authority

On November 16, 2009, Alliance Moving, Inc., d/b/a AB Moving Service; All Northwest Moving, filed Docket TV-091797 requesting permanent household goods authority.

The Commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier permit THG-63854, since March 11, 2010.

Under WAC 480-15-330, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, reports, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator Richard Smith completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Smith found the company in general compliance and on November 30, 2011, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-63854 is in order as follows:

- Records Center has a current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-63854.
- Compliance Investigations does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.
- Company attended mandatory HHG new entrant training on June 16, 2010.

I recommend the Commission grant TV-091797 without hearing and reissue permit THG-63854 to Alliance Moving, Inc., d/b/a AB Moving Service; All Northwest Moving, HG-63854 as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
