LEGEND OF SYMBOLS

Legend of symbols This section will identify all symbols used in the tariff to identify changes resulting from the filing of the specific sheet change. The list will include the required symbols and their meanings, and any other utility-specific symbol with its meaning, consistent with the requirements identified in WAC 480-80.

(a) Locate the symbols on the right hand side of the changed text directly across from the change;

(b) Must use the following list of symbols to signify change:

(c) May use additional symbols for other purposes when it has identified the symbols in its tariff as provided for in WAC 480-80.

Tariff symbols Each time a tariff sheet(s) is revised, a utility must code all changes with the tariff symbol that best reflects the purpose and effect of the change.

D – discontinued rate, service, regulation, or condition;

N – new rate, service, regulation, condition, or sheet;

I – a rate increase;

R – a rate reduction;

C – changed condition or regulation;

K – that material has been transferred **to** another sheet in the tariff. (A footnote is required on the tariff sheet to identify the material's new sheet number);

M – that material has been transferred **from** another sheet in the tariff. (A footnote is required on the tariff sheet to identify the material's former sheet number);

T – a change in text for clarification;

O – no change. (This symbol is discretionary unless specifically requested by the commission).

SCHEDULE NO. 4
READY TO SERVE SERVICE

Available

Within the limits of all Washington Water Service Company Water Service Areas and at Utility's option and capability to maintain Department of Health standards of quantity and quality.

Applicable

To any property owner who has completed and signed a Water Service Application, Certificate of Water Availability, and paid all applicable fees required for the Utility to commit service to a meter service connection. Applicable to domestic residential customers, where meters have not yet been installed.

Conditions

The charge for this service is not subject to cancelation or reduction for seasonal or temporary periods, unless seasonal rates apply per this tariff. This charge will be the monthly minimum bill for this class of service. At the time water service begins, the customer shall be converted to the metered rates on **Schedule No. 2**. Charge and commitment is limited to 1 ERU or connection per parcel.

Monthly Rates

Rate

Each connection or customer

\$19.15

Note: The Ready to Serve charge may be discontinued upon receiving written request from the customer or for non-payment of the Ready to Serve charge. Termination of the charge will allow the Utility to remove the service connection. This disconnection or removal will allow the Utility to make that available service capacity to supply other connections on the water system.

After a commitment has been revoked for discontinued service, future service to the property will require a new application for service, payment of service connection charges and will be subject to the availability of service company capacity at such time as the future application for service is made.
