Re: Shuttle Express Inc. C-975

Docket # TC-112072 (do not re-docket)

Shuttle Express again is filing substitute pages for docket #TC-112072 (do not re-docket). These substitute pages are to correct some technical errors on pages namely to change the symbol "C" to "A" for those rates that increased. Below is the original wording of our first transmittal letter.

"Shuttle Express is filing substitute pages for docket # TC-112072 (do not re-docket). The substitute pages are necessary to meet the requirements of staff's audit. Shuttle Express does not agree with staff's findings but cannot allow more time to lapse before the effective date as our original date requested was January 3, 2012. We appreciate Mike Young's professionalism and working manner through this process."
