Dear Commission,

On February 17, 2013, the Utilities & Transportation Commission ("Commission") issued a certificate of registration to ANPI, LLC ("ANPI") in Docket UT-120085 as a competitive telecommunications company. Please be advised that ANPI intends to begin offering VoIP services throughout Washington. These services will be engineered exclusively by cloud-based and VoIP technologies and connectivity will be broadband. It is our understanding that the Commission does not regulate VoIP services at this time. We will continue to periodically monitor the Commission's decisions to ensure continued compliance with all Commission rules.

Please acknowledge receipt of this notification by file-stamping and returning the extra copy of this letter in the self-addressed stamped envelope included for this purpose. Should anything further be required, please let me know.

Sincerely,

Matt Dean
