Re: Inland Telephone Company - UT 130948

Dear Mr. King:

A question has arisen as to whether Inland Telephone Company would be willing to make a long term commitment on the treatment of the DID and PRI services provided to Suncadia Resort. The answer is yes. Although technically the services will need to be price listed for purposes of Suncadia Resort, Inland Telephone Company will commit that those prices will not change until such time as the tariff prices for same services offered under tariff change. This provides Suncadia Resort with the same protection that other customers would have receiving the services under tariff, even though the form of the offering to Suncadia Resort will change to a price list.

If you have any questions concerning this matter, please contact the undersigned.

Sincerely,  
  
RICHARD A. FINNIGAN
