Dear Company:

In Docket TC-131111, the Utilities and Transportation Commission (Commission) granted you forbearance from rate and service regulation as an auto transportation company for specific route(s) as reflected in your filing in this docket.

A review of Commission records indicates that although the Commission granted forbearance, it did not reissue your certificate to reflect that approval. To correct this oversight, Commission staff will reissue your certificate (C-64605) to add the specific route(s) for which the Commission granted forbearance. The revised certificate will authorize the following operations.

PASSENGER SERVICE BETWEEN Wenatchee and Seattle-Tacoma International Airport, with intermediate stops at Peshastin, by reservation only.

AND

Charter and Excursion Carrier Services in the state of Washington, including services limited to specific auto transportation services granted with forbearance from rate and service regulation under RCW 81.68.015 in Docket TC-131111, Order 01, as follows:

BETWEEN: Wenatchee and Peshastin and sporting events occurring at Safeco Field in Seattle

AND

BETWEEN: Wenatchee and Peshastin and sporting events occurring at CenturyLink Field in Seattle

AND
BETWEEN: Wenatchee and Peshastin and summer concerts occurring at Mill
Bay Casino in Manson.

If you have any questions, please contact Ms. Tina Leipski no later than Monday, Monday,
January 6, 2014. Ms. Leipski can be reached at (360) 664-1170 or by email at
tleipski@utc.wa.gov. Commission staff will send you a copy of your revised certificate in three
to four weeks.
