RE: Advice No. 2014-15 – Natural Gas Tariff Filing - **Do Not Redocket**  
Substitute Tariff Filing – Filed Electronically

Dear Mr. King:

Puget Sound Energy, Inc. (“PSE”) hereby submits in connection with Docket No. UG-140721, the following substitute tariff sheet to replace the tariff sheet accompanying the Company’s July 18, 2014 substitute filing, which was submitted under PSE’s Advice No. 2014-15. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portion of the Company’s WN U-2, tariff for natural gas service:

Original Sheet No. 154 – Schedule No. 54: Optional Gas Compression Service

The purpose of this substitute filing is to make a language revision which had been intended for the previous substitution of this sheet. This substitution also includes the CNG Pricing Model which has been updated to reflect a version number and source references for compression station capital cost, annual station O&M cost, and fleet information.

This substitution is provided for in WAC 480-80-111(a) as the revisions address concerns of the Commission. The tariff sheet described herein reflects an issue date of April 25, 2014, and an effective date of July 25, 2014. Posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail access in accordance with WAC 480-90-193.
