Hello Scott,

Could you please send your certificate to the commission's [Record Center](#) (referencing Docket # UT-141158). You'll also need to send proof of the locators attendance, as that was another condition of the order. Thanks, Lynda

Pursuant to RCW 19.122.150(3), the Commission considered the Safety Committee's recommendation but disagrees, in part, with the recommendation. The Commission believes this is a serious offense and warrants a penalty. Therefore, the Commission assesses a penalty of \$1,000. The Commission's ultimate objective, however, is to ensure compliance with the regulations it enforces, and thus the Commission will waive the penalty in its entirety on the conditions that (1) CenturyLink and its contract locator, Locating, Inc., attends "Dig Safe" training provided through NUCA; and (2) CenturyLink commits no further violations of RCW 19.122.030 within the next 12 months.
