RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-150859

Dear Sir or Madam:

As you are aware, on June 5, 2015, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Unity Telecom, LLC in the amount of \$1,000 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report and pay regulatory fees with the Commission by May 1 each year. On September 2, 2015, Unity Telecom, LLC requested mitigation, and on September 16, 2015, the Commission issued Order 01, Granting Mitigation to \$500, due by September 30, 2015. As of September 30, 2015, Unity Telecom, LLC has not paid the \$500 penalty.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$500 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
