**RE: Notice of Intent to Send to Collections, Penalty Assessment No. TE-151022**

Dear Mr. Felix:

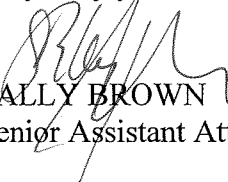

As you are aware, on June 9, 2015, the Washington Utilities and Transportation Commission issued a Penalty Assessment against John Felix d/b/a Custom J'z Autoride in the amount of \$1,000 for violation of WAC 480-30-071, which requires charter and excursion carriers to file an annual report and pay regulatory fees with the Commission by May 1 each year. On June 30, 2015, the Commission issued Order 01, Granting Mitigation, to John Felix d/b/a Custom J'z Autoride, reducing the penalty amount to \$250. As of July 10, 2015, John Felix d/b/a Custom J'z Autoride has not paid the \$250 penalty. The Commission sent you a Final Notice dated August 13, 2015, indicating that the balance of \$250 was due.

The Commission has not received the \$250 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$250 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
