Re: TV-160108 – Issuing Permanent Household Goods Permit HG067087

Dear Three Star Moving:

On January 22, 2016, Three Star Moving filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On March 24, 2016, the Commission approved the application in part and granted Three Star Moving temporary authority to provide those services.

The Commission has determined that Three Star Moving qualifies for permanent household goods carrier authority and approves the application in full. Permit HG067087 issued in the name of Three Star Moving is enclosed, and the company may now operate on a permanent basis.

Three Star Moving must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
