Re: TV-161246 – Issuing Permanent Household Goods Permit HG067494

Dear Clutter Inc.:

On November 29, 2016, Clutter Inc. filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On January 20, 2017, the Commission approved the application in part and granted Clutter Inc. temporary authority to provide those services.

The Commission has determined that Clutter Inc. qualifies for permanent household goods carrier authority and approves the application in full. Permit HG067494 issued in the name of Clutter Inc. is enclosed, and the company may now operate on a permanent basis.

Clutter Inc. must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
