RE: Notice of Intent to Send to Collections, Penalty Assessment No. DG-170657

Dear Sir or Madam:

As you are aware, on June 6, 2017, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Rino Construction in the amount of \$16,000 for violations of the Washington State Dig Law, RCW 19.122. On October 9, 2017, Rino Construction requested a payment arrangement. On October 13, 2017, by Order 01, the Commission granted Rino Construction's request for a payment arrangement, stating that the first payment was due on November 15, 2017. Rino Construction has not made any of the scheduled payments as set forth in Order 01. The Commission sent Rino Construction a Final Notice, dated August 23, 2017, indicating that the balance of \$16,000 was due.

The Commission has not received the \$16,000 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$16,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
