Moves for Seniors is a division of Transit Systems, Inc. offering a wide array of specialized moving services for seniors and their families. Our nationwide partner network of movers, specialty move coordinators and other service providers are committed to delivering the highest levels of customer service.

## What makes Moves for Seniors different from other moving companies?

Moves for Seniors is not your traditional moving company, we are a resource for all of the moving needs that people may find essential when they choose to relocate from their long-time family home to a new residence that better suites them. The greatest difference between Moves for Seniors and other moving companies is our commitment to serving the senior community by providing the most convenient and enjoyable moving experience possible.

Our services and processes are unlike any moving company you may have dealt with in the past. We service hundreds of senior living communities across the U.S. to move furniture and other heavy items within their communities to prevent injuries to their staff along with moving residents in to and out of their communities. We work closely with a vast network of hundreds of service providers to be able to tailor solutions to meet the individual needs of our customers. The way that we operate is designed with seniors and their families in mind.

Moves for Seniors operates under four guiding principles to define our brand and our promise of unmatched service to the senior community. We promise to deliver the highest quality services that are as follows:

**Simple** because we are a specialized one-stop solution for senior moving and rightsizing services.

**Stress-Free** because customers can rely on us to use the highest quality vendors to handle their most precious belongings.

**Comforting** because we take the extra time and care to make moving smooth and stress-free.

**Pleasant** because meeting the needs of seniors with compassion and professionalism is our priority.

Whether you are moving across town, across the country or sending a single family heirloom to a loved one, Moves for Seniors has the right solution for you. What can we do for you?

Whether you need to move one or fifty items, Moves for Seniors can get it there safely. If you have furniture or any treasured items that you need moved anywhere in the country, click the Free Quote button.

If you are a senior preparing to right size or an adult child helping your parents or aging family member, we are here for you. For more information, click the Free Consultation button to have one of our Moves for Seniors representatives get in touch with you.
